“ **diamond** are professional and reliable with personality to boot! ”

Rob May, RAMSAC

case study

speed assured with **diamondsameday**

Our client: F1 racing team.

Their challenge: Very variable demand on and off season and fixed driving resources. Very variable service requirements – visa and passport, same day, bikes, small vans and Transits. Very urgent demand.

Our solution: Ad hoc courier services in many varieties to specifically suit their needs. On demand and instantaneous for immediate response.

result...

- Reduced year long driver requirement
- Ability to send in-house drivers to Europe without impacting on UK-based collections and delivery requirements, thus reducing costs and maintaining in house expertise at important races
- Utilisation of our nationwide network giving them a nationwide service managed by a local trusted supplier
